Lagom

Tribute to harmony. Lagom is natural beauty and conscious simplicity. Each porcelain slab encapsulates the essence of Swedish "Lagom", a concept that seeks personal satisfaction through simplicity and the quality of a living space for body and soul. This high-end collection for interiors, with its ultra-natural and balanced look, invites serenity and comfort in every space. Its pieces capture the purity of a wood softly knotty wood without contrasts, with a very careful choice of tones. The large format planks extend to an impressive length of 160 cm, with a feeling of spaciousness and continuity, enhancing the elegance of the floor with a spectacular aesthetic. With its oak, natural and almond shades, the Lagom wood-inspired porcelain collection offers a harmonious colour palette, a tribute to balanced living.
