Dolce + Vita

Dolce + Vita is a call to design spaces where balance, creativity and inspiration coexist. It is design with soul. It is life to be enjoyed. Like a mineral surface softened by time, Dolce is a porcelain base with a refined aesthetic, where visual harmony and material calm reign supreme. With a subtle texture and a neutral palette inspired by cement tones, it combines effortlessly and integrates naturally. Dolce is composed of a solid and surrounding base that adapts without imposing itself, allowing the environment to breathe. Vita awakens the senses. It reinterprets terrazzo from a contemporary and expressive perspective, with fragments of colour that dot the surface like confetti on a canvas. Vita is background and protagonist, base and decoration. A creative two-in-one. The collection is expanded with white body wall tiles in 30x90R format, featuring the decorative Deko Dolce Beige, Deko Dolce Verde, Deko Dolce Terracotta and Deko Dolce Azul. Their design is based on a base that evokes the organic lines of wallpaper, with a delicate filigree on top that adds a subtle wrap around visual effect. Also in 30x90R, Suite Vita adds a linear relief with parallel grooves that run across the surface in a striated texture, adding depth and a tactile sensation to the Vita colour base, perfect for creating highlighted areas or corners that set the visual rhythm.
