Destonified

Indiana

The utmost beauty and sophistication of wood is passed on to porcelain formats unique in their distinctness and rich colouring. Each Indiana slat joins essential shades in a commitment to a natural finish that reproduces the knots and cracks of original wood, its texture and deep-veined, pronounced chestnut-tones. Its painstaking manufacture feels present in the make-up of its natural satin surface that captures light, just like barely treated wood, rich with the shiny and matte details typical to an organic surface. Indiana competes with real wood in vision and touch and beats it in character.
