Installation:

Polished Porcelain

Polished porcelain rectified tiles suitable for areas such as kitchens and rooms, offices and halls.

Pure

Pure represents purity and brightness in its most essential form. A white surface, free of artifices, conceived as a technical solution to enhance the aesthetics of interiors, façades, and public spaces through a clean and direct language. The series is available in large-format slabs of 120×280 R cm and 120×120 R cm, offered in both polished and matte finishes. It also comes in 60×120 R cm, 60×60 R cm, and 30×60 R cm formats, available in a matte finish. Pure's absolute white ensures seamless integration—a functional and versatile proposal that precisely meets the demands of contemporary design.
