Marble Venato Black

The contrasts generated by the surface in matt and intense striated graphite, with traces of white, shiny broken veins running through, give Venato Black a sumptuous aesthetic and ideal qualities for use in both flooring and cladding. Venato Black is timeless, elegant and beautiful with a rotund visual sensation in spaces where the rectified format is used with hardly any joints. The collection has a matt finish in 60x120, 90x90cm and a polished version, with a glossy finish over its entire surface, in 80x160cm.
