Slip resistance (CTE ENV 12633 - Pendulum): Clase 1

## Marmore Parana

The waters of polished marble, its luminosity and reflectivity are reproduced in Parana with a specular finish. On the Mármore Paraná surface, white predominates, furrowed by veins entangled in ochre and light grey, evoking serene and sophisticated sensations versatile to any style. It is a Super Collection that also has pieces in 120x120 and 120x280, which can be applied from floor to wall with imperceptible joins and high impact effect.
