mm

**Destonified****Installation**

Installation:

White pasteSuitable to tile indoor walls such as
bathrooms and kitchens.

June

Lines, touch and color merge into June bringing calmness in its purest form. Its stone appearance fuses a careful printing and relief technique with neutral shades of gray or graphite and subtle flashes of light similar to those generated by the sun in natural stone. Once laid out, it faithfully maintains the appearance of a limestone that brings to mind white and pearly sea sands with a soft, diverse texture and rich in nuances.
