Installation: Coating

Polished Porcelain

Polished porcelain rectified tiles suitable for areas such as kitchens and rooms, offices and halls.

Marble Dolomita

Marble Dolomita is a true porcelain masterpiece, a true reflection of natural stone with all the advantages of a high-tech material. Its subtle and elegant appearance is achieved through a highly refined and enhancing process, which gives it an ethereal and profoundly serene base. The bright copper veins in the foreground give it original and sophisticated nuances, while in the background, the nuanced grey veins fade into the soft and lustrous pearly white, creating a surprising and harmonious visual effect.
