Critical angle of slip (DIN 51130 - Ramp)

Critical sliding angle (DIN 51130 - Ramp): R-11

Slip resistance (CTE ENV 12633 - Pendulum)

Slip resistance (CTE ENV 12633 - Pendulum): Class 3

Beton

Beton speaks the quiet language of craftsmanship. Its cement-like surface preserves the subtle irregularities, tonal variations and fluid markings characteristic of a material shaped by hand. Beton's softly weathered finish and colour transitions create a serene, warm material full of depth. Ivory and Gris form a balanced, luminous palette that enhances the collection's natural expression. This visual identity extends to white-body wall tiles and porcelain floor tiles in a variety of formats and C2 and C3 finishes, adapted to spaces with different technical requirements.
