

## MOREA

### Mesh Morea Marquet

PRICE / UNIT (VAT INCLUDED)

## CHARACTERISTICS

Finish: Natural

Boxes / Pallet: 48

Kg / Box: 11

Style: Woods

Kg / Pallet: 534

Degree of detonation: V3 (Medium)

Material: glazed\_porcelain

Pieces / Box: 7

M2 / Box: 0.6

M2 / Pallet: 28.87

#### Installation

Installation: Coating

#### Installation

Installation: Pavement

## Glazed Porcelain

mm

#### Glazed Porcelain

Suitable for all types of floor and wall applications, interior, exterior, facades as well as bathrooms and kitchens.

#### Destonified

#### Critical angle of slip (DIN 51130 - Ramp)

Critical sliding angle (DIN 51130 - Ramp): R-10

#### Slip resistance (CTE ENV 12633 - Pendulum)

Slip resistance (CTE ENV 12633 - Pendulum): Clase 2

## Morea

Morea offers a sensory interpretation of wood. Veins, nuances and subtle traces emerge across a surface where every graphic detail finds its counterpart in the relief. Digital InTech+ technology precisely synchronises pattern and texture, while a matt, silky finish conveys a sense of naturalness that can be experienced both visually and materially. In Roble, light reveals a pale, calm and luminous wood; in Nogal, the tones become deeper, warmer and more enveloping. Morea thus creates a warm and sensory ceramic proposal in which graphic expression, texture and contemporary geometry reinterpret the natural character of wood and expand its possibilities within contemporary interior design.
