Derby

Derby, industrial design. With a minimalistic inspiration, Derby is a range of full body porcelain tiles that replicates the design of marked cement where the movement of graphics plays subtly in changes of hues and less defined frames. Its porcelain finish makes it suitable both for commercial spaces and domestic use. Available in formats 80x80 R cm, 50x100 R cm and 61.5x61.5 cm and in 4 colours: black, grey, beige and vison.
