Slip resistance (CTE ENV 12633 - Pendulum): Clase 2

Recycling

Recycled:

Momentum

By merging two opposites, fabric and cement, we create the texture of a floor tile that aims to blend into its surroundings in a landscape of interrupted weaves. Porcelain is the main character in this collection that proposes two ranges of cool and warm colours: Sand and Taupe, on one side, and Grey and Graphite, on the other side. Inspired by wildlife and nature, the great novelty is provided by the range Momentum Deko, which includes tiles decorated with birds that resemble English wallpaper. Range available in 80x80 R cm., 61.5x61.5 cm. and 31x61 cm.
