Chaplin

Industrial soul and art-decò reminiscences join in this wall tile inspired by cement to reinvent its texture in four colours: White, Grey, Sand and Vison. The Chaplin collection combines modernity and softness in a full-character matt touch with a personal finish of the edges. This range is complemented by three decorations: the sobriety of Chaplin Mosaic, the relief of the micro-mosaic of Suite Chaplin and the restyling of the hydraulic tiles of Chaplin Deko. This range is available in 21.4x61 cm. for wall tiles and 44.5x4.5 cm. for glazed porcelain tiles.
