Fabric-Tweed, a tribute to fabrics, to the warmth of rugs and the well-being of domestic interiors. A touch of fabrics and knitwear makes up this floor tile that combines the smoothness of carpets along with the technical qualities of ceramics. Included in the Full Body Porcelain Collection, these floor tiles create a new range of ideal finishes for the contract market niche. The Fabric decoration pays a tribute to the monochrome sobriety in different colours while Tweed, with its spike-shaped design, is a creative example that celebrates the traditional Jacquard in a perfect range to carry out combinations. Range available in 60x120 R cm (only available in Fabric) and 30x60 R cm..
