Pure textures. The beauty of constructive elements inspired by Le Corbusier and Mies van der Rohe. The different shapes of these floor tiles take inspiration from monochromatic cement in a high-end porcelain proposal. Optimal for public and private spaces, its diverse combinations, along with its hand-painted frame effect result in enormous versatility. The basic piece with a 30x60R format is complemented by a decorated piece, Melt, which resembles a formwork finish. Range available in 60x120 R cm, 80x80 R cm and 30x60 R cm.
