Samba

Urban explosion. Different styles for different ways of living. Joy and urban taste in an extraordinarily versatile and wide range, with multiple colors and formats. Samba's wall tile proposals go from Blanco or Gris to Rosa, Azul, Verde and Jade, both in solid colors and in delicate varieties that replicate the singular tulle fabric, as well as in a very rich range of complementary versions. In its decorated options, Samba presents a version with water relief in all its hues, as well as geometric compositions inspired by fabric for its Deko designs in Verde and Gris. Finally, the collection also includes square or mosaic-like compositions in Verde, Gris and Blanco. Available in 21.4x61 cm
