Arlette

Arlette, femininity and sophistication. Inspired by the majolica technique, Arlette confers femininity and a traditional style to any space; a combination of sophistication and a rustic finish. Available in the format 21.4x61 cm, this range of wall tiles in neutral hues and glossy finish is a dynamic and living solution to renovate bathroom spaces and quaint small-sized kitchens thanks to its five colours and to the mosaic decorated with lines that provides a glossy checkerboard pattern with relief.
