Bosco

Unpredictable character. A technical prodigy that defies the senses, Bosco is able to capture the essence of the freshly cut wooden slats@their knots, tones and unique irregularities\(\mathbb{N} in a \) porcelain proposal for floor tiles in which, as in nature, it is not possible to find a pattern. Tailored to those captivating souls that do not look like anyone, this collection replicates the unpredictable natural wood in three hues⊠Roble, Visón and Gris⊠full of colour ranges and nuances. The collection also features a decorated option, Suite Bosco, which provides the effect of small wooden planks.
