## Metal

Metallic Inspiration. The fusion of a slat and a metallic mesh is the base of a highly versatile porcelain tile. The four colors of Metal –Beige, Gris, Óxido and Negro- adapt to any kind of environments providing a unique industrial character. The result of this collection is a charismatic texture that fits into very different domestic, commercial or contract projects. Being the top range of the Rock&Rock collection, its endurance, personality and technical features turn it into the perfect porcelain tile for large projects and outdoor coverings. Range available in 60x120 R cm, 60x60 R cm and 30x60 R cm.
