Desde el acabado Natural, más cercano al cemento trabajado, al resistente satinado del Lapado, una tercera opción, el acabado In&Out, proporciona una superficie sedosa y altamente antideslizante perfecta para interior, exterior y fachada. Disponible en una amplia gama cromática de tonos neutros y óxidos, también presenta líneas decorativas con relieves de efectos orgánicos o geométricos.

From the Natural finish, closer to crafted cement, to the resistant satin finish of Lapado, a third option, the In&Out finish, provides a soft and highly antislip surface, ideal for indoors, outdoors and facades. Available in a wide colour range of neutral and rusty hues, it also features decorative lines with reliefs of organic or geometrical effects.
