Marble Calacatta

Marble Calacatta es vitalidad y equilibrio, te ofrece la versatilidad de la piedra en sus mismos acabados, con gamas y formatos que se adaptan a la necesidad del espacio, revestimientos en formato extra largo y fino espesor, baldosa cuadrada e incluso malla de pequeño formato.

Las composiciones con Marble Calacatta generan atmósferas únicas y espacios luminosos tanto en su acabado natural, como con el balance entre mate y brillo del Lapato o la luz resplandeciente del acabado pulido.

Marble Calacatta is vitality and balance, offering you the versatility of stone in its own finishes, with ranges and formats that are adapted to the needs of the space. Wall coverings that are extra-long and thin, square tiles and even small-format meshes.

Marble Calacatta compositions generate unique atmospheres and bright spaces as much so in their natural finish as well as the balance between the matt and the shine of the lapato or the bright light of the polished finish.
